

Remote access to suite machines

1. Suite Machine Access

Allows you to access specific software required as part of your course by remoting into a suite machine on campus. This is to be used if the software is unavailable to download direct to your own device.

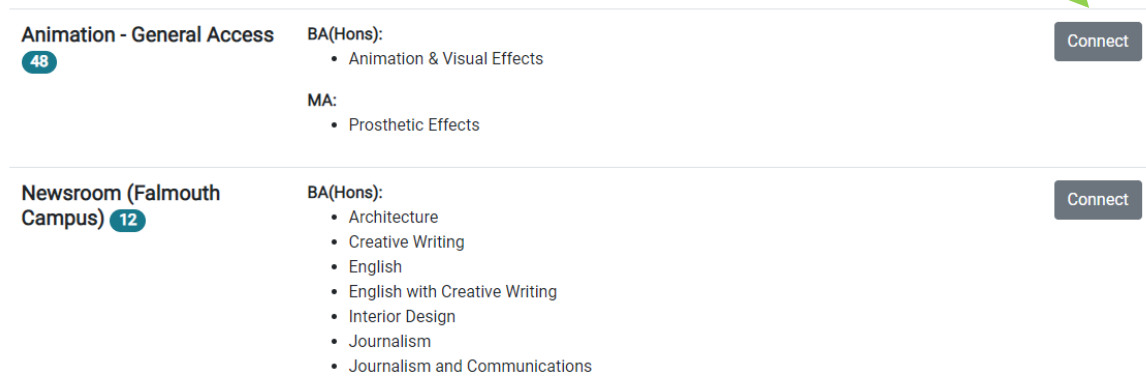

These suite machines can be accessed from your windows or mac device, please see the links below

- a. [Instruction to access via a windows device](#)
- b. [Instructions to access via a Mac](#)
- c. [Ending your remote access session](#)

1a. Access via your windows device:

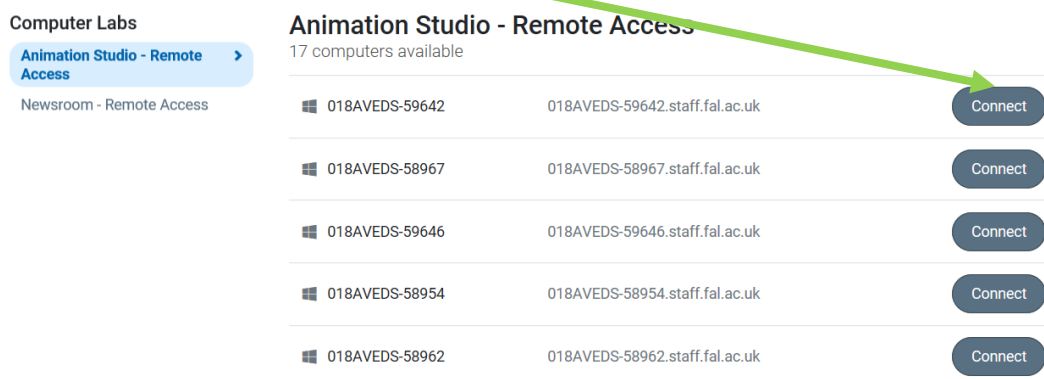

- Go to falmouthdesktops.fxplus.ac.uk

- Review the table and press 'Connect' next to the suite you can access based on your course

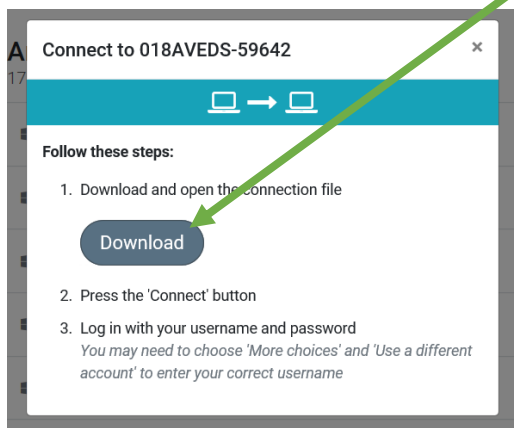

Animation - General Access 48	BA(Hons): <ul style="list-style-type: none">• Animation & Visual Effects MA: <ul style="list-style-type: none">• Prosthetic Effects	Connect
Newsroom (Falmouth Campus) 12	BA(Hons): <ul style="list-style-type: none">• Architecture• Creative Writing• English• English with Creative Writing• Interior Design• Journalism• Journalism and Communications	Connect

- This will provide a list of suite devices available for remote access, select the Connect button from the list:

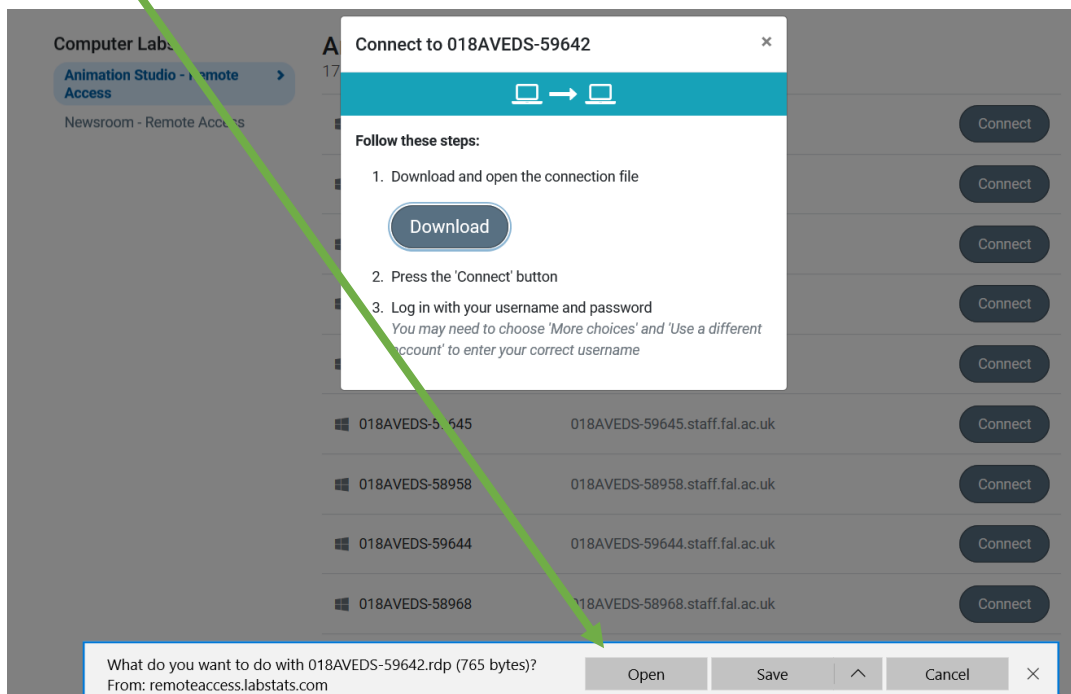

Computer Labs		
Animation Studio - Remote Access		
17 computers available		
Newsroom - Remote Access	018AVEDS-59642	018AVEDS-59642.staff.fal.ac.uk
	018AVEDS-58967	018AVEDS-58967.staff.fal.ac.uk
	018AVEDS-59646	018AVEDS-59646.staff.fal.ac.uk
	018AVEDS-58954	018AVEDS-58954.staff.fal.ac.uk
	018AVEDS-58962	018AVEDS-58962.staff.fal.ac.uk
